Who are we?

The Society for Creative Anachronism (SCA) is an international organization dedicated to researching and re-creating the arts and skills of pre-17th-century Europe. Our “Known World” consists of 19 kingdoms. Members, dressed in clothing of the Middle Ages and Renaissance, attend events which feature tournaments, royal courts, feasts, and more.

In the SCA, a Kingdom is a large regional chapter of the parent organization, SCA, Inc. Each Kingdom is ruled by a King and Queen. There are 19 SCA Kingdoms worldwide. The Kingdom of Aethelmearc was founded in 1997. Aethelmearc encompasses all of West Virginia, most of Pennsylvania, and Central and Western New York.

The Barony of the Rhydderich Hael is the local group of the SCA in the Kingdom of Aethelmearc and covers the areas in and around Buffalo, NY. We look forward to meeting you!

The Canton of Beau Fleuve is located within the borders of The Barony of the Rhydderich Hael and is located in the Niagara Falls and surrounding regions.

Baron and Baroness...

Spring is just around the corner and the Ice Dragon is thinking about taking his long (well not so long) sleep. The Barony starts to awaken with activity, practices are happening, groups are meeting, and events are being planned for, what a crazy time! Of course His Excellency and I would like to remind our populace that this year there will be no Champs event. We will be deciding the 2017 Champs at several different local practices and sub-events in the Barony. The dates and times will be announced in the near future, we are conferring with the standing champions on what they have planned. So time to start thinking about if you'd like to represent our Barony at the Baronial Seven Pearls Event in Endless Hills on September 9th. Coronation is coming up! We would like to put together a gift basket for Their Incoming Majesties, with the bounties of our Barony. Handmade items are very welcome and encouraged, though any helpful largess that will make Their Majesties reign run smoother is always a wonderful thing! Please feel free to contact His Excellency or me with questions if you are unsure what is appropriate. Last but not least, we are excited to see the Barony and it's people coming together to make "The Festival of the Passing of the Ice Dragon" the wonderful event it always is. Thank you for all of your hard work as the date grows nearer and please feel free to offer the event staff all the help you can, after all many hands and minds really do make light work.

Please remember to submit award recommendations. Anyone can make a recommendation for a Baronial award. Help us recognize the hard work of the populace! Send suggestions to baron@wnysca.org and baroness@wnysca.org.

From the Chronicler...

Hello readers and welcome to the latest edition of the “Ice Dragon”! A lot is happening this winter in the realm of the newsletter. First, I was honored to win a Master William Blackfox Award for Best Special Issue (awarded for the Artifacts Edition published last year). The William Blackfox Awards recognizes excellence in the work of Chroniclers and newsletter contributors and is sponsored by the Society Chroniclers office each year. I mention this not to toot my own horn, but instead to share this recognition with the people who stepped forward to contribute to the edition. The opportunity to learn about and share the history of this great Barony was a wonderful journey. One I will not soon forget. Thank you. Speaking of history, it almost escaped my attention that my term of office was drawing to a close. To that end there will be a call for resumes in March 2017 and an election shortly (if not immediately after). I have put forward

my interest in continuing in the office, but it is possible a fresh face will replace me. Whatever the outcome I know the Barony and the Ice Dragon will be in good hands. People interested in the office and the requirements can find the details in the “meeting minutes” section of this newsletter. If there are any questions or concerns please feel free to contact me. I will not be heartbroken if there is an interested person looking to replace me. I enjoy the job but I feel it is equally important to open up opportunities for growth to people, either new to the SCA, or people looking to expand their service to the Society. If I remain in the office I am pleased to announce that Her Excellency Rosemund von Glinde has agreed to stay on as my deputy. Thank you Your Excellency! Lastly, I have started work on the next edition of the newsletter, another special edition that will focus on the groups located in (or associated with the Barony). I have reached out to several local groups already and have started to collect feedback. If you are part of a local group (new or old, active or inactive) and would like to contribute please contact me. I would like to have “groups” edition of the newsletter out by late March or early April.

YIS Magnus

From the Pennsic Land Agent...

Once again, I'm here to let you know that the Barony is registered for Pennsic. I am very sorry that I have not made it to Barony meetings but, I would like to continue to be Land Agent for the Hael. If anyone else is interested, let me and the Barony know and we will let the Barony decide. As of now, His Excellency, Magnus, has endorsed me but, if there are others, please let us know. For those of you that don't know, this would make my 10th year being Land Agent or assistant LA and am more than willing to continue this year. Any Hael camp questions, please contact me privately. If you would like to camp with us, please also contact me. The application for registration will ask if you asked the land agent, so, please do so. I like this so I can get your contact info before registration ends so, if you say you are camping with us and I don't see you on the list, I can let you know. This has happened twice.

Greetings for the Ice Dragon Pent Staff!

Even though it's only February, it's not too early to register your entry for the Ice Dragon Pent. Why take the time now instead of waiting until April 8? You can avoid the hassle of waiting in a long line and instead enjoy your morning knowing that all you need to do when you arrive is display your entry and enjoy the event. Whichever categories you plan to enter, and especially if you are entering the new 5-in-1 category, the performance, historic combat categories, or the Pent itself, pre-registration will make the process run more smoothly for you. Pre-registration forms are **due by April 4th** and are now available on the Ice Dragon website:

http://www.ice-dragon.info/ID2017_pent.html.

Literary Arts entries are due by March 11.
