The Society for Creative Anachronism (SCA) is an international non-profit volunteer educational organization. The SCA is devoted to the research and re-creation of pre-seventeenth century skills, arts, combat, culture, and employing knowledge of history to enrich the lives of participants through events, demonstrations, and other educational presentations and activities. The SCA's "Known World" consists of 20 kingdoms and over 30,000 members around the globe.

In the SCA, a Kingdom is a large regional chapter of the parent organization, SCA, Inc. Each Kingdom is ruled by a King and Queen. There are 20 SCA Kingdoms worldwide. The Kingdom of Aethelmearc was founded in 1997. Aethelmearc encompasses all of West Virginia, most of Pennsylvania, and Central and Western New York.

The Barony of the Rhydderich Hael is the local group of the SCA in the Kingdom of Aethelmearc and covers the areas in and around Buffalo, NY. We look forward to meeting you!

The Canton of Beau Fleuve is located within the borders of The Barony of the Rhydderich Hael and is located in the Niagara Falls and surrounding regions.

## The Baron and Baroness

Greetings to the Barony! Words cannot express how wonderful it was to see so many faces old and new who came to Investiture. Getting to see all of your faces from the thrones is an honor and privilege and we hope to serve you well. Thank you again to all of the staff for all of your hard work to pull off a successful, fun-filled event. And thank you to Their Excellencies Magnus and Miriel for all of your hard work. We hope that you enjoy your retirement. We are also heartened to have seen so many join us for the future Ice Dragon planning meeting held by Lord Rhys. The festival is an important part of the work we do for the Barony and the Kingdom at large. We look forward to the process of making the best of this event for years to come, and the participation of all who lend a hand.

Padraig and Juliana

## From the Chronicler

Hello Haelies! Welcome to another issue of “The Ice Dragon”! This issue is packed with a large backlog of Baronial meeting minutes, court reports, and updated information on Baronial officers. If you are a Baronial officer or run a practice/meeting, please check your information and see if it is correct. Send any corrections to me and I will make changes in the next issue. I am still seeking a second deputy to learn the job, and my goal is to have that person take over for me when my term ends early next year. If you are interested in learning more about this position, please contact me and we can discuss the requirements and skills that are needed. I am willing to train interested people in the SCA policy side of the job as well in the publication process. The only hard requirement is you will need a computer, access to the internet, and a software program that can handle desktop publishing. Finally, a bit of fun news. Recently the results of the Master William Blackfox Awards for A.S. 52 were announced. The William Blackfox awards recognize excellence in the work of Chroniclers and newsletter contributors in the Society. I am proud to announce the Ice Dragon was named the winner of “Best Special Issue” for The Ice Dragon-Baronial Election Edition (2018). The Ice Dragon was also nominated for (but did not win) “Best Layout and Design”. I am certainly honored to win this category for a second time, but when it comes to making a special edition newsletter it is the contributors not the Chronicler who make this newsletter possible. We all share in this honor. Thank you!

Magnus

## Court Reports

### Baronial Investiture/40th Anniversary, Rhydderich Hael - Magnus and Miriel.

An account of the final court of **Magnus and Miriel**, Baron and Baroness of the Barony of the Rhydderich Hael in the Kingdom of Aethelmearc, held at the Baronial Investiture/40th Anniversary, the 1st day of December in the 53rd year of the Society (2018 in the Common year) in the Barony of the Rhydderich Hael. **Reported by THLady Zofia Kowalewska, Ice Dragon Pursuivant.** Their Excellencies welcomed all to share in the day and thanked them for joining them in their final court.

Some old business needed to be attended. Although not present, it was their Excellencies' wish to induct **THLady Brigitte de Sainte Mere-Église** into the Order of the Golden Bee in absentia to recognize her for her talent on the hammered dulcimer, her scribal works and her bardic works. Scroll by **Baroness Rosamund von Glinde** and **THLord Padraig O'Brandubh**.

**THL Cynwulf Rendell** and **THL Eleanore Godwin** asked for a brief moment of their Excellencies' time. Gifted to their Excellencies was a little "retirement land and home".

They also asked to induct new Hounds into the pack. **Gaston, Josephine, Astride and Dark Oak** were welcomed and asked to wear the Hound's badge.

**Baron Magnus** asked **THL Cynwulf Rendell** and **THL Eleanore Godwin** to remain. Because of these two, our Archery community is now 39 strong and growing. **Baron Magnus** gathered the broken arrows of the Hael Hounds and turn them into favors and presented the Hael Hounds the favors.

Their Excellencies next wished to thank a few individuals. In the Words of **Baron Magnus** "The story originates with our good friend **THL Wolfgang Starcke**. At one of our many events, when the time came to set up the Baronial thrones we discovered that some of the wooden pegs had gone missing. **Wolfgang** made his way into the woods and collected sticks that he broke into pieces and used as pegs so the thrones could be assembled. To me this simple act of service exemplified what service means in the Society. How small acts of service support everything that we do and stand for. As I prepared to step down I discovered that several of these small sticks remained in the thrones bags. It was then I decided that these should be made into relics to honor **Wolfgang** and the service he gave."

#### Those honored by Her Excellency Miriel:

- **Lord Joe the Silent, Mistress Geirny Thoryrimsdottir, THL Zofia Kowalewska.**

#### Those honored by His Excellency Magnus:

- **The Dow Family (Lord Chebe, Lady Natsu, & Lady Kaido), Lady Thalia Papillon, Baron Rhiannon Elandris**

**Lord Fearghus mac Eoin** was then asked to come forward and ask to hold the Champions ready for the Incoming Excellencies.

#### **Minamoto Roku-i Sakurako** and **Lady Natsu**

**(represented by Lord Chebe)** were called forth to receive their severance pay for all the work done. Each were thanked and presented with a 5lb bag of rice which should help sustain their families for some time. Those who served

their Excellencies were released.

**Being no further business, the final court of Magus and Miriel was closed.**

### **Baronial Investiture/40th Anniversary, Rhydderich Hael - Padraig and Juliana.**

An account of the court of **Padraig and Juliana**, Baron and Baroness of the Barony of the Rhydderich Hael in the Kingdom of Aethelmarc, held at the Baronial Investiture/40th Anniversary, the 1st day of December in the 53rd year of the Society (2018 in the Common year) in the Barony of the Rhydderich Hael. **Reported by THLady Zofia Kowalewska, Ice Dragon Pursuivant with the assistance of Noble Rhys Penbras ap Dafydd**

**Morning Court:**

Their Excellencies wished to see **Lord Chebe and Lady Simonetta and THLord Cynwulf Rendell** and installed them as Captain of the Guards (Sheriff) and Head Retainer and the Hounds as guards.

Then, the Senechal, Exchequer, Knight Marshall and Pursuivant were asked to remain in their positions and all agreed.

The Champions were then asked to present themselves and asked to continue to serve and take their place in court. All agreed and stood as the Rightful Baronial Champions.

Baron Padraig and Baroness Juliana addressed the populace and thanked them for attending as it not only their Investiture, but the Barony's 40th Birthday. They asked all to enjoy the day, the food and the stabbing.

*Court was suspended.*

Court was reopened and Their Excellencies sought Lord **Joe the Silent**. For all of his years supporting the Barony and as a Baronial Guard and as an example of quiet, thoughtful courtesy, he was added to the Noble Union of Lords and Ladies. Scroll by **Baroness Rosemund (i), Riobard (w), Mistress Liadhain**.

The two Hael Stones were given to **Baroness Anastasie de Lamoure and Giuseppina Michele da Canal**.

*Court was suspended.*

Court was reopened and their Excellencies addressed the populace thanking all for attending. They then called forward the autocrats for the event - **Mistress Tiercelin and Baron Rhiannon** and thank them for all the hard work to put this special event together.

**Don Behrend von Elmendorf** was called forward and thanked for helping with the Rapier Activities

Their Excellencies had words with **Baroness Rosamund von Glinde**. For her work as a Scribe and all her "subtleties" she was named the newest member to the Order of the Golden Bee. **Scroll by THLady Zofia Kowalewska**

**THLady Meredyth Maskmaker** was called and for her decades of quiet service to the barony, she was added to the Venerable Order of the Ice Dragon. **Scroll by Baroness Ekaternia Volkova**.

It was then the wish of their Excellencies that **Lord Abdulla al Rashid** be presented. For his prowess in archery, fencing, and heavy, he was named to the Order of the Dragon's Combatant. **Scroll by Mistress Sthurrim Caithnes**.

**Armiger Fuego** was called to stand before their Excellencies. For their enthusiasm as a fencer, and helping out at events, Fuego was added to the Order of the Dragon's Concordium. **Scroll is a Work in Progress by THLady Brigitte de Sainte Mere-Église and THLady Zofia Kowalewska**

**Lady Biota Merme** asked for a moment of time in court and presented their Excellencies and Her Majesty the proceeds from the Auction to be added to the coffers for Travel needs.

As a piece of business, **Their Excellencies of Thescorre, Baron Eldjarn and Baroness Dubheasa** were asked to come forward. The contract was presented and agreed upon that Baronial Champs this coming year will be a shared event in Thescorre and the Hael will host the following year.

**Being no further business, court was closed.**

## SCA Largesse Ideas

By, **Baroness Juliana Rosalia Dolce di Siena, OP**

At the Baronial 12th Night festivities, we made the request for items to add to a gift basket for Delftwood's Investiture on February 9th. I was reminded that not everyone might know what makes good/useful largesse gifts. I've compiled a list with some notes. A pdf copy will be available in the files section here as well.

Items that are hand-made and period, period-plausible or used to disguise modern items are wonderful and very much appreciated. Also, include your name and with the item. The retainers will thank you for not having to try and get that information on the fly.

This is not a be-all, end-all list. The Facebook "SCA Largesse" group has lots of ideas and many of us have Pinterest boards with links to largesse items. If gifting items to specific people, if they have a website (most Royal reigns will have one) check there for items that they like/want/need for largesse. If not sure, you can always ask your Baron/Baroness or someone that knows the recipient for ideas. You can include items mean for the recipients to use personally or items that they can use to gift to people.

I went to Thescorre and this is the bid that they approved for their Champs event and we are welcomed to join them. There has not been a discussion of sharing of costs and profits yet, but I would propose that we do a 50/50 split of both costs and profits. There would also need to be coordination of the champions from each barony to determine the tournament styles as both Baronies have the tradition of the outgoing champion designing the tournament for the incoming. I told the autocrat for Thescorre that our meeting is November 6th and we would discuss it then. Please either come to the event or comment here on any thoughts or concerns.
- ✦ **Eleanore Godwin:** Expressed concern about having to hold A&S outside and felt it would be better to run our own event.
- ✦ It was suggested by several people that this issue could be corrected by providing the Baronial pavilion as well as the possibility of reschedule A&S in the event of bad weather.
- ✦ **Mistress Cori:** Feels the combined event is a good idea. Suggested that the Hael hosts a combined event next year and that this proclamation be made formal in Hael/Thescorre Champs court this year.

*(Continued on page 17)*

- ✦ **Master Caleb:** Offered the idea that the Hael has run joint events with Thescore in the past with great success.
- ✦ **VOTE – Agree to hold the joint event only with the condition that the Hael hosts next year – majority – passed.**
- ✦ Ekat will contact Thescore with this new information and update the Barony at the next meeting.
